Dear SFC Bowman:

I would like to take this opportunity to thank you for your attendance and participation at the United States Marshals Service (USMS) CSI Conference held in Miami, Florida during the week of February 2-6, 2004. This construction and security integration conference was one of the most informative conferences that I had ever attended and I hope that you also found it helpful to the national courthouse construction and security processes.

We know how busy your schedule is and on behalf of my staff and myself I wanted to let you know that it was an honor for you to take time from your busy schedule to attend and participate in this conference.

If the USMS Judicial Security Division can be of further assistance, please contact us. If you or your staff need any follow up regarding this conference, please have your staff contact Dave Barnes, Chief, Central Courthouse Management Group on (202) 353-8767.

Sincerely,

Sylvester E. Jones
Assistant Director
Judicial Security Division
